

Technical drawing of the Shadows XL PC976 lighting fixture, showing a cross-section (Q-Q), a perspective view (R), and a top view (Q-Q).

The drawing includes a detailed cross-section (Q-Q) of the fixture, showing the internal components and dimensions. The dimensions are as follows:

- Overall height: 300
- Base diameter: 150
- Base thickness: 195

The perspective view (R) shows the fixture from a side angle, highlighting its conical shape and the mounting bracket. The top view (Q-Q) shows the circular base with concentric circles and a central mounting point.

**Legend:**

| Part Number | Description                 | Quantity |
